5. As seen from above, even after the lapse of approximately 16 months (December, 2012 to April, 2014), none of the District Officers in the State evinced even cursory look on the report, leave alone sending any action taken reports and much less recovery of the huge amounts in Crore as pointed out in the reference 3rd read above. Admittedly, no DBCWO / DD’s evinced any interest in the identification of the colleges, with whom Government money is lying, which is liable for action, as per Article 298 to 302 of the AP Financial Code. There is no positive response from any of the Districts. This is not in the interest of the proper Financial Management. Hence, there is an absolute need to expedite action taken reports from 23 Districts in respect of approximately 20 Audit Paras and Sub Paras of Performance Audit Report, 2012.
6. A copy of the reference 3rd read above is enclosed here with for use during the visit to Districts and Institutions.
7. Hence, the following officers are allotted to the Districts as given below in the Table for Verification and Confirmation and also Action Taken reports, recovery, remittance and reconciliation with the Audit and Treasury concerned:-
